ESSERE
CREATIVI?
IMPARATE
A DIRE SÌ
Quando incassiamo un «no» diventiamo chiusi, reattivi, testardi e concentrati sull'autodifesa. In pratica ci candidiamo all'infelicità

La primavera più bella

"Ci sono persone che con le parole scarabocchiano
lettere illeggibili sporcando il silenzio. Altre riempiono
spazi recintati come nei fumetti infilandoci sillabe
false e cortesi. Altre ancora hanno l'abilità di
disegnare discorsi che seducono la mente. Infine ci
sono quelle che con le parole dipingono cercando di
arrivare al cuore. Secondo me tu hai pennelli e colori."

well, hello there!

my friend

Alisa u nezemlji
Znam da si htela
Da se vidimo
Ali si zaboravila
Ko si ti, a ko sam ja
Zaboravila si
Da li postojimo
Tog dana noć je svanula
Tu iznad
I zamislila si da postojiš
I setila si se da
zamisliš mene
Ja sam onda pomislio
Da smo se videli
Ali ti si rekla da
To nije tačno
jer, ti i ja smo stvarni
I radićemo ono što zamislimo
